First Parish Dorchester Unitarian Universalist

Wedding Package Information

Welcome to First Parish Dorchester. We thank you for considering our beloved church as your wedding venue!

Our facilities are a welcoming resource for our congregation and the Boston community at large. Having your wedding at a Unitarian Universalist church gives you the flexibility to create your wedding ceremony with your own personal touches that will make your wedding day special for you.

First Parish Dorchester offers many advantages as a wedding venue that are difficult to find, especially in an urban area. In addition to attractive rates and amenities:

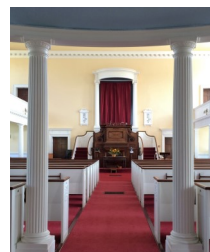

- Our church is a registered historic building in a picturesque location.
- We have a parking lot and plenty of on-street parking.
- Our first floor function spaces are fully accessible.
- The Sanctuary accessibly seats 400, plus approximately 200 more on the balcony level. It offers an antique Tracker pipe organ, a piano, and a public address system for basic amplification.
- The Parish Hall offers an 18' x 15' stage equipped with an Estonia grand piano and complimentary use of 22 tables and 140 chairs.
- The Allen Parlor, adjacent to the Parish Hall with sliding pocket doors, is included as a secondary space with rental of the Hall.
- A serving kitchen is available for food preparation. Dishes and a dishwasher are also available for rent.
- Second floor meeting rooms are available for pre-wedding preparations.
- Our interim minister, Rev. Tricia Brennan, is available to officiate your wedding, though other arrangements can be made as well. Contact Rev. Brennan at minister@firstparishdorchester.org for details.
- Our church organist, Dr. Ana Sorina Popa, may be available for an additional fee. She must approve use of the church organ if used by other than her.
- We would happily recommend a caterer who has provided services here at First Parish on many occasions.
- Custodial services for set up and clean up after the event may be available for an additional fee.

Some Facts about Our Building

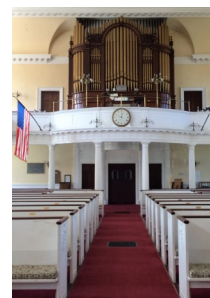

First Parish Dorchester, Boston's oldest congregation, was founded in March, 1630. The Meetinghouse has been a landmark on Meetinghouse Hill since the 1600's. Today's Meetinghouse was built in 1896. We have recently completed the renovation and restoration of our celebrated steeple.

First Parish Dorchester has been a center of the Dorchester community for centuries and continues this tradition today. Our doors are open to many community groups, civic associations, cultural and ethnic organizations, groups from other religious traditions, and educational organizations.
