Facilities Rental Information

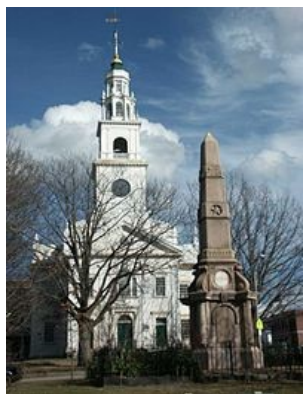

Thank you for your interest in First Parish Dorchester!

We are a welcoming resource for our congregation and the Boston community at large. Our facilities are available for hosting family-oriented events such as birthday and anniversary parties and for fundraisers appropriate for a church setting. Here you will find some general information about use of the space and how to proceed with booking your rental.

First Parish Dorchester offers many advantages as a function space that are difficult to find, especially in an urban area. In addition to attractive rates and amenities:

- Our church is a registered historic building in a picturesque location.
- We have a parking lot and plenty of on-street parking.
- Our first floor function spaces are fully accessible.
- The Sanctuary accessibly seats 400, plus approximately 200 more on the balcony level. It offers an antique Tracker pipe organ, a piano, and a public address system for basic amplification.
- The Parish Hall offers an 18' x 15' stage equipped with an Estonia grand piano and complimentary use of 15 tables and 85 chairs. In addition, formal tables and chairs are available to rent.
- The Allen Parlor adjacent to the Parish Hall, with sliding pocket doors, is included as a secondary space with rental of the Hall.
- A serving kitchen is available for food preparation. Dishes and a dishwasher are also available to rent.
- We have second floor conference rooms for meeting purposes, as well as a nursery space available.
- Our interim minister is available to officiate at life events. Please contact the minister directly at minister@firstparishdorchester.org for availability and fees.

Some Facts about Our Building

First Parish Dorchester, Boston's oldest congregation, was founded in March, 1630. The Meetinghouse has been a landmark on Meetinghouse Hill since the 1600's. Today's Meetinghouse was built in 1896 after a fire. We have recently completed the renovation and restoration of our celebrated steeple.

First Parish Dorchester has been a center of the Dorchester community for centuries and continues this tradition today. Our doors are open to many community groups, civic associations, cultural and ethnic organizations, groups from other religious traditions, and educational organizations.
